

As part of the City of Muleshoe and Bailey County's response to the recent positive tests in our area, and out of an abundance of caution, the Texas Military Department, is currently conducting "free of charge" drive thru coronavirus testing today until 6 P.M.

The tests are being conducted at the Bailey County Coliseum located at 2206 W. American Blvd but will only be available until 6 P.M.

We have been informed that **pre-registration is no longer required**. Anyone who wants to be tested can now be tested. Those who want to take advantage of this free service can go to the white tent on the west side of the Bailey County Coliseum. If you have any questions, you can contact the Bailey County Attorney's Office at 806-272-4205
