

As of March 13, 2020 Gov. Abbott granted a temporary extension to obtain initial registration, renewal of registration, and renewal of a permanent disabled parking placard as well as for individuals with expired 30-day temporary permit.

If you would like to renew your vehicle registration, you may do it by mail or online at www.txdmv.gov.

The TX DMV will provide notice when normal registration services have resumed. The waiver is in effect until 60 days after the notice is provided and applies to all counties.

The purpose of the waiver is to prevent customers from having to physically visit a County Tax Assessor-Collector Office.
